Infinity Rose[®]

Longer lasting

NEW INFINITY[®] EVERGREEN[™]

The new Infinity[®] Evergreen[™] is a revolution in mini roses with its magnificent flowering. In the Infinity[®] series is currently the original white Infinity[®] rose, the light pink Princess of Infinity[®], which is baptized by Crown Princess Mary of Denmark, and the Pink Infinity[®]. Each rose has the same great qualities - and is truly a luxury rose.

CHANGES COLOR FROM PINK TO GREEN

Infinity[®] Evergreen[™] changes from a colorful pink rose into a beautiful green and paper-like rose after several weeks. Each rose has extra long shelf life - up to 5 weeks!

EXTRA LARGE FLOWERS

The extra large flowers are one of the main characteristics of the Infinity[®] roses. The flowers are really well shaped and up to 7 cm in diameter. It gives the roses a unique look, which are rarely seen by other houseplants.

ENJOY INSIDE AND OUTSIDE

You can enjoy your Infinity[®] roses both inside and out. When flowering is over inside, you can plant Infinity[®] out in your garden or in a pot on the patio. Here they will bloom again and again throughout the season - and again when the frost is over.

ROMANTIC AND LONG LASTING

Infinity[®] roses is all about romance. The beautiful roses are very suitable as a gift idea for everyday and special occasions. For yourself or for someone you love. Infinity[®] roses fit perfectly into the modern decor, but also for all year celebrations and anniversaries.
